Stand customisation / wall branding

Your exhibition stand has a standard height of 250 cm and is constructed using modular profiles.

These profiles are filled with white-coated wood fibre boards.

The frame profiles will remain visible as joints and borders between the panels.

Branding Option 1:

Self-adhesive foil branding (SA foil) applied to the white wood fibre boards. Recommended for partial branding, e.g. logos.

€88/m², including application and removal.

PLEASE NOTE: The frame profiles will remain visible.

Branding Option 2:

Full-surface branding with printed fabric: Recommended for a seamless and comprehensive brand presence.

€116/m², including installation and removal.

We are also happy to equip your exhibition stand with **LED spotlights mounted on extension arms at €30 per unit.**
