19<sup>th</sup> INTERNATIONAL MEETING ON RADIATION PROCESSING

## PREPARATION GUIDE

### While at home

---

- ✓ [All conference information has been made available in the IMRP19 WebApp at <http://imrp.guide/>](#). Why not start planning your agenda ahead of time so that you are ready! Make sure to login with your username and password to **send messages to other participants, take notes** for any talk etc. You can **submit your questions** to the MC for all Plenary sessions on Tuesday and Thursday via the WebApp. Visit <http://imrp.guide/> now to discover everything it has to offer. The **WebApp Help** page explains all functions in detail at <https://cm.imrp-ia.com/webapp/info/help>.
  
- ✓ [Bring your device and charger](#)  
IMRP19 is providing a WebApp and a condensed pocket guide. Be sure to bring a device (laptop, tablet or smart phone) in order to access the app.  
Electrical outlets are 230 volts (50Hz). Two types of plugs can be used.  
Plug C: <https://www.iec.ch/worldplugs/typeC.htm>  
Plug E: <https://www.iec.ch/worldplugs/typeE.htm>
  
- ✓ [Social Events and Dress Code](#)  
The dress code for the conference is business casual.  
For details on the social program, please scroll down to [Appendix 1](#). Dress code is black-tie **optional**. Important to know: the bus does not drop exactly at the door of the venue; ladies should plan their footwear for a short walk through the park accordingly especially in case of rain.

### Getting to the Venue

---

- ✓ [Venue – Palais de la musique et des congrès - PMC](#)  
Address: Place de Bordeaux, 67082 Strasbourg  
(not to be confused with Strasbourg Exhibition Centre!)  
Registration area: Galerie Schweitzer
  
- ✓ [Arriving in Strasbourg](#)  
As there are many different ways to travel to Strasbourg, we have outlined several options on the website: <https://imrp-ia.com/strasbourg-travel/travel-tips-to-strasbourg/#heading>
  
- ✓ [Public Transportation Passes](#)  
The City of Strasbourg (Eurométropole) is graciously offering transportation passes for all participants which makes a transfer into the heart of Strasbourg easy. The Tram system is easy and efficient.
